|----------|----------|
| 1. _____ | 2. _____ |
| 3. _____ | 4. _____ |

Threshold Inspectors performing inspections shall be certified under Rules 61G1 and 61G15 of the Florida Administrative Code.

Authorized Representatives of an Engineer or an engineering firm performing threshold inspections shall conform to Rule 61G15-35.004(2) of the F.A.C.

Authorized Representatives of an Architect or an architectural firm performing threshold inspections shall conform to Rule 61G1-25.004 of the F.A.C.

Special inspectors performing building department required inspections shall conform to the Florida Building Code Section 110.3.9. Miami-Dade County Building Code Compliance Office approval of the individuals performing the actual inspections is required. A list of all individuals performing actual inspections with their qualifications shall be furnished to the Building Department for approval.

I, (we) will notify the city of Sunny Isles Beach Building Department of any changes regarding authorized personnel performing inspection services.

I, (we) understand that a Special Inspection Log for each building must be displayed in a convenient location on the site for reference by the City of Sunny Isles Beach Building Inspector. All mandatory inspections, as required of the Florida Building Code, Inspection performed by the Special Inspection hired by the Owner are in addition to the mandatory inspections performed by the Building Department. Further, upon completion of the work under each building permit, I will submit to the Building Inspector at the time of final inspection the completed inspection Log form and sealed statement that, to the best of my knowledge, belief and professional judgment those portions outlined above meet the intent of the Florida Building Code and are in subsequent accordance with the approved plans. I hereby certify that the shoring being installed on an emergency basis are in compliance with the provisions of the Florida Building Code and in conformance with engineering standards.
