

City of Sunny Isles Beach - Building Department

TEMPORARY ELECTRICAL APPROVAL

TO BE EXECUTED BY OWNER AND/OR TENANT, BUILDING AND ELECTRICAL CONTRACTOR

Note: Electric services will be disconnected without notice upon 180 day termination unless application is renewed.

It is understood that the temporary-electrical approval by the City of Sunny Isles Beach Building Department given in connection with a building being constructed under Building Permit No. \_\_\_\_\_ and Electrical Permit No. \_\_\_\_\_ at Address: \_\_\_\_\_ for Owner(s): \_\_\_\_\_ is being given only for construction purposes or for testing the following installations being made in said structure:

A request is hereby made for a 180-day maximum approval due to an URGENT NECESSITY for electric current. Necessity shall include the use of current for irrigation, security, humidity control, and emergency power and lighting such as for testing or construction purposes, provided the Electrical Contractor and owner does hereby agree to assume the responsibility of maintaining the installation in such manner that there is no hazard to life and property.

Such approval is in no event to be considered a release of said structure for purposes of use and occupancy, and no occupancy shall be granted or permitted until final inspections have been called for and approved by the inspection divisions concerned, and a Certificate of Occupancy permit obtained.

The undersigned also understands that the temporary-electrical approval is subject to rescission and cancellation, and electric power can be cut off at the discretion of the Building Department and will be disconnected if the building concerned is occupied before final inspections are approved and a Certificate of Occupancy obtained.

I, \_\_\_\_\_ being first duly sworn, depose and say that I am the owner of the above described property, and that I agree that the structure covered in this agreement shall not be occupied until the building contractor has obtained approval of final inspections.
